(NB Please note that any non-compliance with the duty to co-operate is incapable of modification at examination). You will need to say why this modification will make the Local Plan legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

I disagree with the proposal to build on the Green Belt -
I am very concerned about existing traffic problems and consider that the new development will make things worse, especially since major employers are to the south of Abingdon, not to the north.
I am also concerned that air pollution in Abingdon-on-Thames will increase.
I am concerned that additional housing will increase possibilities of local flooding as the houses will be built on sloping land, and there have been previous floods on Twelve Acre Drive.
I consider that the increase in the amount of houses predicted is excessive.
If the development must go ahead I think it is important that supporting services and transport links are in place before any houses are built. Consideration should be given for providing accommodation for those wishing to downsize, maybe to bungalows, from larger houses.

Please note your representation should cover succinctly all the information, evidence and supporting information necessary to support/justify the representation and the suggested modification, as there will not normally be a subsequent opportunity to make further representations based on the original representation at publication stage.

After this stage, further submissions will be only at the request of the Inspector, based on the matters and issues he/she identifies for examination.

7. If your representation is seeking a modification, do you consider it necessary to participate at the oral part of the examination?

☐ **NO**

☐ **No**, I do not wish to participate at the oral examination

☐ **Yes**, I wish to participate at the oral examination

8. If you wish to participate at the oral part of the examination, please outline why you consider this to be necessary:

Please note the Inspector will determine the most appropriate procedure to adopt to hear those who have indicated that they wish to participate at the oral part of the examination.
