Dear Ms Tyrrell-Williams

Thank you for your e-mail received 26 November 2014. I am not sure if your e-mail is an official response to the Local Plan publication or not. If it is an official response, it would be useful if you address your comments through the attached representation form, so that your comments can be submitted to the Planning Inspector. I've also attached a guidance document on responding for your reference.

Kind regards,

Scott Riley
