Appendix A- Section on utilities

Thames Water support the section on Utilities on page 3 of appendix A. It is essential that developers work with Thames Water at an early stage to ensure that there is adequate water and wastewater capacity both on and off a proposed development site to ensure that any new development does not lead to problems for existing and new users.

Please note *your representation should cover succinctly all the information, evidence and supporting information necessary to support/justify the representation and the suggested modification, as there will not normally be a subsequent opportunity to make further representations based on the original representation at publication stage.*

After this stage, further submissions will be only at the request of the Inspector, based on the matters and issues he/she identifies for examination.

Q6 If your representation is seeking a modification, do you consider it necessary to participate at the oral part of the examination? No - I do not wish to participate at the oral examination
