

Dear Sir/Madam,

I am attaching an electronic version of my submission on behalf of The North Abingdon Local Plan Group with particular reference to the proposed North Abingdon Site and green belt issues. I delivered a paper copy to the offices in Crowmarsh Gifford today but thought it would be helpful to submit an electronic copy of my submission. Please do not hesitate to contact me if you require any further information.

Many thanks,  
Ticia Lever  
(on behalf of the North Abingdon Local Plan Group)
