I tried to use your website to express my views without success and hence this email.

I wish you to know that I am totally opposed to the proposed development on the GREEN BELT in the Radley area or indeed anywhere else in the UK.

Naturally as a resident of Radley your proposed plans for the Radley area are totally unacceptable to me.

It's obvious that the continual erosion of GREEN BELT land will eventually lead to no green areas and hence nothing to generate the oxygen that we need to live.

And from an aesthetic point of few I do not want to live in a concrete jungle.

There are still many BROWN sites around the country that should be used first.

I do not accept that the housing shortage is as dramatic as is being suggested.

The problem lies in the rapid population growth being created by the circumvention of immigration laws and that's on top of all the illegal immigration that's occurring.

To repeat I AM TOTALLY OPPOSED TO ANY BUILDING OR DEVELOPMENT ON GREEN BELT LAND.
