If you wish to support the legal compliance or soundness of the Local Plan or its compliance with the duty to co-operate, please also use this box to set out your comments.

I am not in favour of building on the Green Belt in North Abingdon.. North Abingdon is in itself a huge urban sprawl which the Green Belt contains, encroachment toward Oxford, Sunningwell and Radley will destroy the character and identity of Abingdon on Thames by becoming a of a huge sprawling housing estate. Described by the Vale Cllr Matthew Barber as 'a necessary evil', it is indeed 'evil' but is certainly not 'necessary'

The 'evil' in this plan for North Abingdon will result in long lasting and spiralling difficulty for all areas of Abingdon on Thames.

(continue on a separate sheet/expand box if necessary)

6. Please set out what modification(s) you consider necessary to make the Local Plan legally compliant or sound, having regard to the test you have identified at 5 above where this relates to soundness. (NB Please note that any non-compliance with the duty to co-operate is incapable of modification at examination). You will need to say why this modification will make the Local Plan legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

The Vale Plan 2031 is not sound because it does not comply with NPPF 2012. Modification to the Plan to include the removal of the proposal to cause over development in North Abingdon.

Please note your representation should cover succinctly all the information, evidence and supporting information necessary to support/justify the representation and the suggested modification, as there will not normally be a subsequent opportunity to make further representations based on the original representation at publication stage.

After this stage, further submissions will be only at the request of the Inspector, based on the matters and issues he/she identifies for examination.

7. If your representation is seeking a modification, do you consider it necessary to participate at the oral part of the examination?

☐

No, I do not wish to participate at the oral examination

☒

Yes, I wish to participate at the oral examination

8. If you wish to participate at the oral part of the examination, please outline why you consider this to be necessary: ☐

I wish to participate at the oral examination and consider this necessary to challenge the Vale Local Plan 2031

Please note the Inspector will determine the most appropriate procedure to adopt to hear those who have indicated that they wish to participate at the oral part of the examination.
