We welcome and fully support the Council's proposal to address in full the evidenced housing needs arising in the Vale of White Horse. Furthermore (as set out in more detail below) we support the District Council's pragmatic approach to addressing any unmet needs arising elsewhere in the Oxfordshire Housing Market Area.

We also support the need to create a balance between employment and homes and for the proposed housing requirement to be predicated upon the significant number of jobs likely to be created in the District. This level of housing provision is necessary to support committed economic growth and the delivery of a full range of housing types.
