To make Section 5.57 and Core Policy 44 of the Local Plan sound, the Plan must now identify a rural gap right around Harwell Village where no development will be permitted. This particularly applies to the approach to Harwell from the east, but is not confined to this direction.

On the east side the template for Valley Park in Appenidx A should include a commitment to a green corridor along the B4493 between the A34 and Zulu Farm, to preserve some vestige of a green gap between the village and Didcot.
