16. The Partnership supports Core Policy 7: Providing Supporting Infrastructure and Services and Core Policy 17: Delivery of Strategic Highway Improvements within the South-East Vale Sub-Area,

which seek to secure the appropriate levels of infrastructure to mitigate the impacts of planned growth and enable the future economic viability of the area.

**Please note** your representation should cover succinctly all the information, evidence and supporting information necessary to support/justify the representation and the suggested modification, as there will not normally be a subsequent opportunity to make further representations based on the original representation at publication stage.

**After this stage, further submissions will be only at the request of the Inspector, based on the matters and issues he/she identifies for examination.**

**Q7 If you wish to participate at the oral part of the examination, please outline why you consider this to be necessary:**

The Harwell Campus is central to the Council's spatial and economic strategy. It is therefore vitally important that the Harwell Campus Partnership has an opportunity to present its objections to the draft local plan both orally and in writing.
