The traffic in the area is already gridlocked in the morning on Dunmore Road, especially after the roundabout was modified at the junction with Wootton Road. Since it was modified to one lane the traffic is backed up along Dunmore Road every morning. Building on the green field along Dunmore Road will remove the last piece of green land in the area and spoil the area for the current residents. Abingdon is a beautiful town and adding additional housing will turn the North of Abingdon into a huge housing estate and add additional traffic to the area.</p>

Please rethink the plans - there are many buildings in Abingdon and many brown field sites that could be used before any more countryside is ruined for ever.
