If you wish to support the legal compliance or soundness of the Local Plan or its compliance with the duty to co-operate, please also use this box to set out your comments.

Dear Sirs I?m afraid I am not sufficiently sure of the facts to object on any legal grounds, but having read the submissions and papers by the North Abingdon Local Plan Group I agree with many of their findings. Of particular concern is the attack on the Green Belt, the impact on traffic which is already appalling in Abingdon and the Air Pollution. Although I understand the need for additional housing, I feel that some housing could be allowed, but not anything like the scale proposed which effectively eats up the entire green belt North of Abingdon and joins us almost to Oxford. I am sorry this is not on the official form, but I am rather late in sending in this objection. Suffice to say that the NALPG have

done a terrific job in producing excellent papers against the Plan and I wholeheartedly support their objection. Yours faithfully

Please note *your representation should cover succinctly all the information, evidence and supporting information necessary to support/justify the representation and the suggested modification, as there will not normally be a subsequent opportunity to make further representations based on the original representation at publication stage.*

After this stage, further submissions will be only at the request of the Inspector, based on the matters and issues he/she identifies for examination.

Q6 If your representation is seeking a modification, do you consider it necessary to participate at the oral part of the examination? No - I do not wish to participate at the oral examination
