

Vale of White Horse Local Plan Part 1 Examination

Stage 2 Hearings

Matter 9: Strategy for South East Vale Sub-Area

9.2 Are there other sites which would more appropriately meet the identified need for new housing?

1. As indicated in Gladman's Hearing Statement for Matter 6, Gladman has an interest in land at Didcot Road, Harwell which is a sustainable site, immediately available and capable of contributing towards the 5 year supply of housing land when the Local Plan is adopted.
2. For the sake of brevity the case for the allocation of this site is not repeated here.
