Dear Sir,

I support the Dalton Barracks development-core plan 8a. This is brown field land and should be used for housing. I would like to see a good prortion of the housing built as affordable housing for local people.

I don not support the Park and Ride at Lodge Hill with car park and bus and cycle routes across green belt land. I think this is unsound. -Plan 12a and 13a. And as yet no need tos afeguard land in the Green Belt.

As yet there is no proven need for a park and ride. We need to wait and see the outcome of the Oxford/Cambridge Expressway and if it goes ahead where it would be sited. If there is a proven need for a Park and Ride outside Oxford, then I think the Marcham intercahnge would provide a much better site with easy access from the Dalton Barracks site, Abingdon and to Didcot, Diamond Light Source and Harwell as well as into Oxford.

I endorse the comments and views given by SPADE and Sunningwell parish council.

Yours faithfully,

Jenny Lee
