The SPDE campaign group provided a comprehensive presentation on the future local planning in the Sunningwell and Dalton Barracks area.

I completely support their proposals and especially the improvement of the bus route 4/4B which provides an excellent route to the centre of Oxford. I use it often. More regular buses on this route would provide excellent transport links to Oxford city centre. I disagree that cycle and bus routes should be built across green belt in Sunningwell parish when this excellent bus route exists.

The park and ride should be located at the A34 /A415 junction which will be near retail park, supermarket and proposed housing at Dalton Barracks, and not Lodge Hill.

Thank you for taking the time to respond to these comments. I would be very grateful if you can let me know you received them safely.

Kind regards

Vicky Russell
