Dear Mr Boyce,

Approval of Area Designation for the Longworth Neighbourhood Plan

I am pleased to inform you that the Longworth area designation, as amended 14 February 2013, was approved by the Vale of White Horse District Council Cabinet on 7 June 2013. Please find enclosed the minutes from the Cabinet meeting documenting this approval. The call-in period for this decision ended 18 June 2013 and therefore the decision has come in to effect.

The consultation for area designation received eight representations in total. I enclose three of the representations, from English Heritage, Natural England and Oxfordshire County Council. These representations provide further information on the interest each of the bodies has in the Neighbourhood Plan and might be interest to the steering group in drafting the plan.

Yours sincerely

Katherine Macdonald
Senior Policy Officer (Neighbourhood)
