Title: Mrs

Name: Julie Bradford

My comments

I have lived at this address since the house was built some forty plus years ago because I wanted to live in a small village environment and wish to continue to do so. I would like to think that any development on Dalton Barracks will not result in Shippon being taken out of the Green Belt. Shippon is identified by the Vale of the White as a smaller village and its removal from the Green Belt would take it out of this category.
