Q5. Please provide your comments below:

Having lived in Shippon for close to 20 years, I want to add my name to the list of residents who wish Shippon to remain a small village and separate from the proposed development of Dalton Barracks. If the planning department follows the government's NPPF directive, it will not change Shippon's Green Belt status. Continually making exceptions to the NPPF weakens its intent and purpose. Ignoring the views of the majority of residents undermines democratic process and lessens public respect and participation in open consultations. Shippon should remain in the Green Belt.
