Q5. Please provide your comments below:

I oppose the removal of Shippon from the green belt as the seems no need to change its status to build the 1200 houses on he brownfield site of Dalton Barracks (area within the current security fencing of the base).

There seems little point in having a Green Belt if it can be withdrawn on a whim when the council feels it wants to.

Q7. Please provide your comments below:

Enhanced transport links are quoted but I have seen nothing to improve the already congested roads through Shippon let alone to cater for the extra 2000? cars generated by the new development. The assumption that everyone will travel by bus or bike is just fanciful.
