Statement from local Councillors

The removal of Shippon from the Green Belt

The Parishes of Shippon and Wootton, along with officers from the VWHDC, have been working together very constructively on a joint Neighbourhood Plan. However, the residents of Shippon feel very strongly that it is their duty to preserve the unique character of this ancient village and most particularly its open green spaces. To remove this small village from the Green Belt will mean that the village is at high risk of losing its openness, particularly the field on the west side which acts as a natural buffer between the 1,200 houses on the airfield and the village itself. Shippon representatives argued strongly and convincingly that Shippon should stay in the Green Belt in front of the Local Plan Inspector. Indeed, the first letter from the Inspector, clearly implied that he was sympathetic to that view. That implication was accepted by all those who read that letter, including the VWHDC Planning officers. The second letter from the Inspector containing a complete reversal of the first opinion surprised everyone – not least because it gave no explanation and allowed no right of reply. Shippon residents now feel hugely disappointed, frustrated and let down by the planning system, with which they have been trying to engage constructively for the past two years.

Catherine Webber Cllr VWHDC Shippon Ward  
Richard Webber Cllr OCC Sutton Courtenay and Marcham Division.
