19 March 2021

Dear Mr Holland

**Vale of White Horse Community Infrastructure Levy (CIL)  
Draft Charging Schedule  
Submission for independent Examination**

Vale of White Horse District Council is pleased to formally submit the Community Infrastructure Levy (CIL) Draft Charging Schedule for independent Examination, in accordance with Regulation 19 of the Community Infrastructure Levy (CIL) Regulations 2010 (as amended).

Please find attached a list of all the submission documentation and supporting evidence to be examined. Electronic copies of all the documentation have been provided and relevant printed copies will be sent out to you today.

The council has made some minor modifications to the Draft Charging Schedule in response to representations made during public consultation. The submitted documentation therefore includes both a Statement of Modifications and a Draft Charging Schedule – Submission Version, March 2021, which incorporates these modifications.

In accordance with Regulation 19 of the CIL Regulations 2010 (as amended), any person wishing to be heard in relation to any of the modifications, must make their request during the 4-week period from 19 March to midnight on 16 April 2021. The council has sent notifications regarding this to those who were contacted at Regulation 16 and has set out details on the council's website. The council will provide you with a copy of each request it receives during this period, via the Programme Officer.

All the documentation can be accessed on the council's website at: [www.whitehorsedc.gov.uk/draftcilchargingschedule](http://www.whitehorsedc.gov.uk/draftcilchargingschedule). Hard copies of the Submission documents have also been placed at the district council offices on Milton Park,

The council has advised anyone wishing to view hard copies to contact the council on 01235 422600 or email [planning.policy@whitehorsedc.gov.uk](mailto:planning.policy@whitehorsedc.gov.uk) to discuss options.
