### Chapter 5 Sub- Area Categories

East Hanney has been included in Abingdon on Thames and Oxford Fringe Sub areas. The residents of East Hanney use facilities in Wantage and grove as they are the closest facilities to East Hanney and the majority of children attend secondary school in Wantage NOT abinadon. and residents are registered

Wantage and Grove, and residents are registered with GP's in Wantage and Grove. Therefore any proposed infrastructure development in this Sub Category Area (Abingdon and Oxford fringe) will not benefit Hanney and there is no reference to how developments in Wantage and Grove will affect East Hanney or how access to facilities in Wantage and Grove will be impacted by these developments on East Hanney Residents therefore it is not sound and has not been prepared positively.

6. Please set out what modification(s) you consider necessary to make the Local Plan legally compliant or sound, having regard to the test you have identified at 5 above where this relates to soundness. (NB Please note that any non-compliance with the duty to cooperate is incapable of modification at examination). You will need to say why this modification will make the Local Plan legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

The Development planned in Wantage and Grove needs to be considered in relation to it's impact on the residents of Hanney in respect to the proposed development in E. Hanney also for example - School places, access to GP etc. Additional population growth in these areas needs to include the proposed development in E.Hanney

***Please note your representation should cover succinctly all the information, evidence and supporting information necessary to support/justify the representation and the suggested modification, as there will not normally be a subsequent opportunity to make further representations based on the original representation at publication stage. After this stage, further submissions will be only at the request of the Inspector, based on the matters and issues he/she identifies for examination.***

7. If your representation is seeking a modification, do you consider it necessary to participate at the oral part of the examination?

\_\_\_\_\_

\_\_\_\_\_

**No**, I do not wish to participate at the oral examination

**Yes**, I wish to participate at the oral examination

8. If you wish to participate at the oral part of the examination, please outline why you consider this to be necessary:

***Please note the Inspector will determine the most appropriate procedure to adopt to hear those who have indicated that they wish to participate at the oral part of the examination.***
