If your comment(s) relate to a specific site within a core policy please select this from the drop down list.	N/A

Q4 Please give details of why you consider the Local Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate. Please be as precise as possible. If you wish to support the legal compliance or soundness of the Local Plan or its compliance with the duty to co-operate, please also use this box to set out your comments.

These paragraphs suggest that sites have been released within the Green Belt whereas the Local Plan indicates that there are areas of the GB which no longer meet the purposes of the GB and the boundary has therefore been changed to remove those areas of land. None of the proposed sites are therefore in the GB as amended or proposed to be amended with the exception of the land north of Abingdon. (see comments above)
