**Subject:** Objection to proposed green belt changes in Wootton

Dear Sir/Madam,

I'm objecting to the proposed green belt changes in Wootton near Abingdon. I live in Home Close in Wootton and am greatly concerned about the impact of the traffic, increase in cars and noise.

I've been living in Home Close for the past 15 years and have noticed a huge increase in traffic in the village. Further housing development would put a further drain on services and roads. There is no infrastructure to support large scale housing development.

Alternative non-green belt areas should be used for houses. The loss of countryside, open spaces with a rural feel would be lost forever!!

I hope that you value local people opinions who have lived in the area for a long time and have always appreciated the privacy and rural feel of the village.

Kind Regards
