Paragraph Policy Proposals Map

4. Do you consider the Local Plan is :

4.(1) Legally compliant	Yes	<input type="text"/>	No	<input type="text" value="x"/>
4.(2) Sound (Positively Prepared, Effective and Justified)	Yes	<input type="text"/>	No	<input type="text" value="x"/>
4 (3) Complies with the Duty to co-operate	Yes	<input type="text" value="x"/>	No	<input type="text"/>

Please mark as appropriate.

5. Please give details of why you consider the Local Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate. Please be as precise as possible.

If you wish to support the legal compliance or soundness of the Local Plan or its compliance with the duty to co-operate, please also use this box to set out your comments.

I do not believe the plan is legally compliant for three reasons.

One, the consultation process has not been conducted in line with VOWHDC agreed procedures and as a result it has been 'pushed through' too quickly to allow local people to express their concerns and objections.

Two, the Oxfordshire Strategic Housing Market Assessment is highly likely to be flawed and despite reasoned criticism VOWHDC has not responded to this criticism, or indeed attempted to instigate an independent review.

Three, a Director of a local housing Development Company sits on the planning committee – surely this must represent a gross conflict of interest as he stands to make considerable gains if development is allowed on 'reclassified green belt areas'.

(continue on a separate sheet/expand box if necessary)

6. Please set out what modification(s) you consider necessary to make the Local Plan legally compliant or sound, having regard to the test you have identified at 5 above where this relates to soundness. (NB Please note that any non-compliance with the duty to co-operate is incapable of modification at examination). You will need to say why this modification will make the Local Plan legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

The plan should be rejected.

Please note your representation should cover succinctly all the information, evidence and supporting information necessary to support/justify the representation and the suggested modification, as there will not normally be a subsequent opportunity to make further representations based on the original representation at publication stage.

After this stage, further submissions will be only at the request of the Inspector, based on the matters and issues he/she identifies for examination.

7. If your representation is seeking a modification, do you consider it necessary to participate at the oral part of the examination?
