An OBJECTION to the Green Belt Review
proposal: St Helen without (Q3).

My husband & I strongly object to
the proposal to remove the greenbelt
from the area in St Helen without [land
adjacent to Lansdowne Road in
Dry Sandford].

The area proposed is not supported
by the current local road [Lashford
Lane] which only road markings
are that outside our local primary school
& proposed entry/exit is in extreme
close proximity to the school.

Local footpaths & bridleway on Lansdowne
Road [a private road] may also be
affected; the ground would not support
the drainage as areas already flood
[area top of Lansdowne Road in
particular]; wildlife would also be
severely affected - we often see
deer / mulejacks, badgers & foxes in
the fields opposite & enjoy the grazing
horses, donkey & ponies in the paddock.
We urge you to look at other sites
[Brownfield] as well as utilising existing
pro
