4. Do you consider the Local Plan is :

4.(1) Legally compliant	Yes	<input type="text"/>	No	<input type="text"/>
4.(2) Sound (Positively Prepared, Effective and Justified)	Yes	<input type="text"/>	No	<input type="text" value="NO"/>
4 (3) Complies with the Duty to co-operate	Yes	<input type="text"/>	No	<input type="text"/>

*Please mark as appropriate.*

5. Please give details of why you consider the Local Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate. Please be as precise as possible.

If you wish to support the legal compliance or soundness of the Local Plan or its compliance with the duty to co-operate, please also use this box to set out your comments.

- 1/ The field is nearly always under water and this water must go somewhere lower. This would affect the lower part of the village which is already at great risk of flooding as seen as recently as Feb 2014.
- 2/ There is a risk of this being sewage as the waste water drains are insufficient to contain it and Thames Water have no current plans to improve the drainage.
- 3/ The site is close to a wild-life corridor which would be at risk.
- 4/ The local primary school is already over full.
- 5/ The village amenities are small and would not be able to accommodate the increase in population .
- 6/ Loss of green field site which has ancient ridge & furrow features.
- 7/ No local secondary school.
- 8/ Not a great deal of local employment so more travelling on the A338 which is already not good enough for the traffic.
- 9/ Water run-off into Letcombe Brook which will be over capacity if the Grove air field and the new houses in Wantage are built.
- 10/ Loss of community identity

6. Please set out what modification(s) you consider necessary to make the Local Plan legally compliant or sound, having regard to the test you have identified at 5 above where this relates to soundness. (NB Please note that any non-compliance with the duty to co-operate is incapable of modification at examination). You will need to say why this modification will make the Local Plan legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

**Please note** your representation should cover succinctly all the information, evidence and supporting information necessary to support/justify the representation and the suggested modification, as there will not normally be a subsequent opportunity to make further representations based on the original representation at publication stage.

**After this stage, further submissions will be only at the request of the Inspector, based on the matters and issues he/she identifies for examination.**

7. If your representation is seeking a modification, do you consider it necessary to participate at the oral part of the examination?
