Q1 Do you consider the Local Plan is Legally Compliant? No

Q2 Do you consider the Local Plan is Sound (positively prepared, effective and Justified) No

If your comment(s) relate to a specific site within a core policy please select this from the drop down list. North West of Abingdon-on-Thames

If you think your comment relates to the DtC, this is about how we have worked with the Duty to Cooperate bodies (such as neighbouring planning authorities)

Q3 Do you consider the Local Plan complies with the Duty to Co-operate? No

Q4 Please give details of why you consider the Local Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate. Please be as precise as possible. If you wish to support the legal compliance or soundness of the Local Plan or its compliance with the duty to co-operate, please also use this box to set out your comments.

3. Schools, roads, leisure centres, railways are all at full capacity. Our area needs investment in these areas prior to any development starting! Why not take the approach of over providing these services

before over populating? There are proposals for new Thames river crossings, this has been discussed for too many years, and you'll never have the funds for them!
