Providing Supportive Infrastructure & Services.
Seems to concentrate on roads & transport.
more than on-site infrastructure needs

The development of on site needs seems
dependent on the developer selling the houses
then addressing the infrastructure.

What is the point of building a school
when the families have been resident for
some time? - the children will already be
place in local schools causing them to become
overcrowded & less efficient. The need for a
school is before the houses are sold!!
