I wish to object to draft Local Plan Part 1 2031

Re Core Policy 4: consultation

The consultation process has been poor. The report to the Council about the consultation process ignores important procedural and policy challenges, and seriously understates opposition to the proposals, both from several thousand written comments and from public discussion meetings.

I therefore believe the plan has not been positively prepared. **I therefore consider the plan to be unsound, because it is not justified by robust evidence.**

6. Please set out what modification(s) you consider necessary to make the Local Plan legally compliant or sound, having regard to the test you have identified at 5 above where this relates to soundness. (NB Please note that any non-compliance with the duty to co-operate is incapable of modification at examination). You will need to say why this modification will make the Local Plan legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

Much lower housing figures (based more closely on the Government's own household projections) should be used by VWHDC in its Local Plan, and I ask the Inspector **to delete from the Plan all site allocations in the Green Belt and the North Wessex Downs.**

Please note your representation should cover succinctly all the information, evidence and supporting information necessary to support/justify the representation and the suggested modification, as there will not normally be a subsequent opportunity to make further representations based on the original representation at publication stage.

After this stage, further submissions will be only at the request of the Inspector, based on the matters and issues he/she identifies for examination.

7. If your representation is seeking a modification, do you consider it necessary to participate at the oral part of the examination?

No

No, I do not wish to participate at the oral examination

Yes, I wish to participate at the oral examination

8. If you wish to participate at the oral part of the examination, please outline why you consider this to be necessary: ☐

Please note the Inspector will determine the most appropriate procedure to adopt to hear those who have indicated that they wish to participate at the oral part of the examination.
