If you wish to support the legal compliance or soundness of the Local Plan or its compliance with the duty to co-operate, please also use this box to set out your comments.

The A34 running through North Abingdon causes very heavy and continuous traffic noise. The noise from the A34 is carried across North Abingdon affecting thousands of residents. The continuous noise is not healthy and the noise only reduces when there is a traffic hold up, usually at peak times. It is impossible to sit outside in good weather without being plagued by the loud noise of the A34.

(continue on a separate sheet/expand box if necessary)

6. Please set out what modification(s) you consider necessary to make the Local Plan legally compliant or sound, having regard to the test you have identified at 5 above where this relates to soundness. (NB Please note that any non-compliance with the duty to co-operate is incapable of modification at examination). You will need to say why this modification will make the Local Plan legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

The Vale Local Plan 2031 is not sound, as it does not reflect the very real, persistent and unhealthy amount of noise and pollution in North Abingdon caused by the A34. The Plan needs to be modified to withdraw the proposed over development of this area and mitigate the noise as it is now to show that mitigation is possible, before considering making the situation worse.

Please note your representation should cover succinctly all the information, evidence and supporting information necessary to support/justify the representation and the suggested modification, as there will not normally be a subsequent opportunity to make further representations based on the original representation at publication stage.

After this stage, further submissions will be only at the request of the Inspector, based on the matters and issues he/she identifies for examination.

7. If your representation is seeking a modification, do you consider it necessary to participate at the oral part of the examination?

☐

No, I do not wish to participate at the oral examination

☒

Yes, I wish to participate at the oral examination

8. If you wish to participate at the oral part of the examination, please outline why you consider this to be necessary: ☐

I wish to participate at the oral examination and consider it necessary to challenge the Vale Local Plan 2031

Please note the Inspector will determine the most appropriate procedure to adopt to hear those who have indicated that they wish to participate at the oral part of the examination.
