YES

No

Please mark as appropriate.

5. Please give details of why you consider the Local Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate. Please be as precise as possible.

If you wish to support the legal compliance or soundness of the Local Plan or its compliance with the duty to co-operate, please also use this box to set out your comments.

See attached Representations

6. Please set out what modification(s) you consider necessary to make the Local Plan legally compliant or sound, having regard to the test you have identified at 5 above where this relates to soundness. (NB Please note that any non-compliance with the duty to co-operate is incapable of modification at examination). You will need to say why this modification will make the Local Plan legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

See attached Representations

Please note your representation should cover succinctly all the information, evidence and supporting information necessary to support/justify the representation and the suggested modification, as there will not normally be a subsequent opportunity to make further representations based on the original representation at publication stage.

After this stage, further submissions will be only at the request of the Inspector, based on the matters and issues he/she identifies for examination.

7. If your representation is seeking a modification, do you consider it necessary to participate at the oral part of the examination?

No, I do not wish to participate at the oral examination

YES

Yes, I wish to participate at the oral examination

8. If you wish to participate at the oral part of the examination, please outline why you consider this to be necessary:

Linden believes that the site it controls at Shrivenham constitutes a significantly more sustainable and deliverable proposal than those allocated in more sensitive and less sustainable locations elsewhere (sites 1,2,3,4 12 & 13). The overall Soundness of the plan is compromised by: 1. the lack of acceptance that unmet housing need increases the quantum of 5 year land supply, 2. by allocations with Green Belt and AONB locations when sustainable alternatives are demonstrably available 3. Reliance upon an artificial 'ring fence' related to housing delivery through major allocations, a mechanism that is considered necessary because their deliverability is in doubt. These three issues render the plan unsound and contrary to Government Policy. These matters require open debate and discussion as do the merits of the site at Shrivenham which is being proposed as a way of helping to establish a Sound Plan.

Please note the Inspector will determine the most appropriate procedure to adopt to hear those who have indicated that they wish to participate at the oral part of the examination.
