### Strategic Allocation in East Hanney

The Vale of White Horse District Council undertook a consultation on Part 1 of the Draft Local Plan 2031 in the Spring of 2014. In that draft, a strategic allocation of 200 houses was proposed for a site to the 'East of East Hanney'. When the next draft of the Plan appeared at the beginning of November 2014 for the current consultation, it proposed a completely different 'South of East Hanney' site. There has been no consultation with the community on this revised proposal and no reasons have been given for the change. We know from the recent community ballot that there is overwhelming objection to the newly proposed site. Accordingly, since the proposals have been made without proper consultation, the Plan is unsound in respect of the South of East Hanney strategic allocation.

6. Please set out what modification(s) you consider necessary to make the Local Plan legally compliant or sound, having regard to the test you have identified at 5 above where this relates to soundness. (NB Please note that any non-compliance with the duty to co-operate is incapable of modification at examination). You will need to say why this modification will make the Local Plan legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

The 'South of East Hanney' site should be removed from the proposed strategic site allocations.

**Please note** your representation should cover succinctly all the information, evidence and supporting information necessary to support/justify the representation and the suggested modification, as there will not normally be a subsequent opportunity to make further representations based on the original representation at publication stage.

**After this stage, further submissions will be only at the request of the Inspector, based on the matters and issues he/she identifies for examination.**

7. If your representation is seeking a modification, do you consider it necessary to participate at the oral part of the examination?

No, I do not wish to participate at the oral examination

Yes, I wish to participate at the oral examination

8. If you wish to participate at the oral part of the examination, please outline why you consider this to be necessary:

**Please note** the Inspector will determine the most appropriate procedure to adopt to hear those who have indicated that they wish to participate at the oral part of the examination.
