Inappropriate Infrastructure -

- The Roads around Cumnor are already saturated & lots of traffic goes through the village to avoid the A40 and A34
- The local school is already at full capacity
- The Doctor Surgeries are too busy and patients are suffering of those consequences.
- Nothing has been engineered for a tripling or quadrupling the population of the village.
- Consultation Process has been very poor with not enough time to respond.
- The language in the forms is too technical and difficult for people to respond.
- The Process and Consultation are UNDEMOCRATIC.

The proposal of removing 5 areas of Green Belt around Cumner will have consequences of destroying a rural & very close community. The village has inadequate infrastructure. It will lose its identity, will become a suburb. It will lose historical sites. It will lose 2 recreational & sporting facilities greatly used by the youths. These sites in the village are Longs and their removal from the Green Belt will destroy a strong and healthy community. I am re-affirming the Green Belt protection and there are no exceptional circumstances to justify its removal.

6. Please set out what modification(s) you consider necessary to make the Local Plan legally compliant or sound, having regard to the test you have identified at 5 above where this relates to soundness. You will need to say why this modification will make the Local Plan legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

**Please note** your representation should cover succinctly all the information, evidence and supporting information necessary to support/justify the representation and the suggested modification, as there will not normally be a subsequent opportunity to make further representations based on the original representation at publication stage.

**After this stage, further submissions will be only at the request of the Inspector, based on the matters and issues he/she identifies for examination.**
