The proposal of removing 5 areas of Green Belt around Cumnor will have consequences of destroying a rural & very close community. The village has inadequate infrastructure. It will lose its identity, will become a suburb.

It will lose historical sites.

It will lose 2 recreational & sporting facilities greatly used by the youth.

These sites in the village are lungs and their removal from the Green Belt will destroy a strong and healthy community.

I am reaffirming the Green Belt protection and there are no EXCEPTIONAL CIRCUMSTANCES to justify its removal.

Please note your representation should cover succinctly all the information, evidence and supporting information necessary to support/justify the representation and the suggested modification, as there will not normally be a subsequent opportunity to make further representations based on the original representation at publication stage.

After this stage, further submissions will be only at the request of the Inspector, based on the matters and issues he/she identifies for examination.

Q6 If your representation is seeking a modification, do you consider it necessary to participate at the oral part of the examination? No - I do not wish to participate at the oral examination
