TAG/FER011

17th Dec. 2014

Dear Sir/Madam,

Re: Vale of White Horse Local Plan Part 1, Consultation Dec. 2014

I have attached representations on behalf of Minscombe Properties Ltd. and Mays Properties Ltd. Both companies own land at the Milton Services Area which is currently allocated for Trunk Road Services under Policy TR10 of the adopted Local Plan 2011.

My clients made representations at earlier stages of the Local Plan and will continue to participate in this process. In this respect my clients intend to consider very carefully material that is produced as part of the Science Vale Area Action Plan and to comment as appropriate, but in any event they would like you to accept these present comments and representations as part of that process.

Please do not hesitate to contact me should you wish to discuss these representations , or if anything is unclear.

Yours faithfully
