**Subject:** Green Belt Review - Wootton Nr Abingdon

Dear Sir / Madam -

I'm writing to oppose the proposal to remove green belt protection from the fields by Lamborough Hill, the WADS community Centre and Old Wootton and allowing developers to build houses there. Recent new developments have led to increased traffic and antisocial behaviour. New housing will overload the infrastructure and destroy the natural beauty and wildlife habitat. These fields are part of the appeal of living here and I urge the council to look to brownfield sites and urban redevelopment rather than destroy the countryside.

Thank you for your time

Yours Sincerely

Tim Friers
