If you wish to support the legal compliance or soundness of the Local Plan or its compliance with the duty to co-operate, please also use this box to set out your comments.**

In addition, the proposed housing is to be built on green belt land, which I strongly object to. Abingdon will end up being merged with Radley ? the green belt was put there originally to stop this happening. There are plenty of brown sites around which should be used for this housing.

Please note that I strongly object to the building of these houses for the above reasons
