If you think your comment relates to the DtC, this is about how we have worked with the Duty to Cooperate bodies (such as neighbouring planning authorities)

**Q3 Do you consider the Local Plan complies with the Duty to Co-operate?** Yes

**Q4 Please give details of why you consider the Local Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate. Please be as precise as possible. If you wish to support the legal compliance or soundness of the Local Plan or its compliance with the duty to co-operate, please also use this box to set out your comments.**

The Local Plan allocates Strategic sites for employment uses as well as housing, which is an approach that we consider to be in accordance with the NPPF. It clearly shows that there is a need for 214ha of employment land over the plan period in accordance with Paragraph 160.

**Please note** your representation should cover succinctly all the information, evidence and supporting information necessary to support/justify the representation and the suggested modification, as there will not normally be a subsequent opportunity to make further representations based on the original representation at publication stage.

**After this stage, further submissions will be only at the request of the Inspector, based on the matters and issues he/she identifies for examination.**

**Q6 If your representation is seeking a modification, do you consider it necessary to participate at the oral part of the examination?** Yes - I wish to participate at the oral examination

**Please note** the Inspector will determine the most appropriate procedure to adopt to hear those who have indicated that they wish to participate at the oral part of the examination.

**Q7 If you wish to participate at the oral part of the examination, please outline why you consider this to be necessary:**

We are acting on behalf of our client who has an interest in the North West Abingdon-on-Thames strategic allocation and as such, we request to participate in the EIP in order to support this site and other policies in the plan.
