If your comment(s) relate to a specific site within a core policy please select this from the drop down list. N/A

If you think your comment relates to the DtC, this is about how we have worked with the Duty to Cooperate bodies (such as neighbouring planning authorities)

Q3 Do you consider the Local Plan complies with the Duty to Co-operate? No

Q4 Please give details of why you consider the Local Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate. Please be as precise as possible. If you wish to support the legal compliance or soundness of the Local Plan or its compliance with the duty to co-operate, please also use this box to set out your comments.

There is no reference here to the Vale's duty to co-operate with residents. Measuring 'likely' impacts in the abstract against a CLG guideline is meaningless! The first point of call with regard to roads and traffic issues MUST be the people who experience these problems on a daily basis.
