6. Any Community Benefit obtained by the huge increase in housing stock is theoretical and will only go to the coffers of the County Council from whence they will dole it out to support the shortfalls from Central Government who will see the County's income increased and reduce any subsidies that might be on offer. Meanwhile, our roads get more potholes, our hospital waiting lists get longer, an urgent appointment with our GP becomes an impossibility, and those in work will face huge volumes of extra traffic on roads which were already crowded 20 years ago.
