The proposed build on East Harwell campus is on an area of outstanding natural beauty and as such it should be preserved to enjoy today and into the future. It has been protected by the order and therefore should not be built

(continue on a separate sheet/expand box if necessary)

6. Please set out what modification(s) you consider necessary to make the Local Plan legally compliant or sound, having regard to the test you have identified at 5 above where this relates to soundness. (NB Please note that any non-compliance with the duty to co-operate is incapable of modification at examination). You will need to say why this modification will make the Local Plan legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

Building on this land assumes that the SHMA is correct. I have made representation that there are I believe the SHMA to be exaggerated in the numbers required and that by its own admission it is not a planning tool to plan house building rates. It would be catastrophic to build on the AONB only to realise that the houses there were not really needed. There should be a plan of time scales to release the land bit by bit and it should not include the AONB.

Please note your representation should cover succinctly all the information, evidence and supporting information necessary to support/justify the representation and the suggested modification, as there will not normally be a subsequent opportunity to make further representations based on the original representation at publication stage.

After this stage, further submissions will be only at the request of the Inspector, based on the matters and issues he/she identifies for examination.

7. If your representation is seeking a modification, do you consider it necessary to participate at the oral part of the examination?

☒

No, I do not wish to participate at the oral examination

☐

Yes, I wish to participate at the oral examination

8. If you wish to participate at the oral part of the examination, please outline why you consider this to be necessary: ☐

I am willing for my concerns to be represented by the Keep Harwell Rural Campaign.

Please note the Inspector will determine the most appropriate procedure to adopt to hear those who have indicated that they wish to participate at the oral part of the examination.
