(continue on a separate sheet/expand box if necessary)

6. Please set out what modification(s) you consider necessary to make the Local Plan legally compliant or sound, having regard to the test you have identified at 5 above where this relates to soundness. (NB Please note that any non-compliance with the duty to co-operate is incapable of modification at examination). You will need to say why this modification will make the Local Plan legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

The plans to provide access directly onto Peachcroft and Dunmore Roads are unsound. This will cause unnecessary congestion of these roads. A much better but ignored approach would be to have direct access onto a roundabout situated on Oxford Road, in preparation for the promised, but unlikely, A34 South access point. This would enable people living in the planned estates to leave Abingdon for work using the A34 without adding to congestion in anyway. As a local resident I am frequently queued in traffic on Dunmore Road but can't remember queuing to leave or enter Abingdon on the Oxford Road. This is a clear demonstration that the people responsible for this plan lack local knowledge and any strategic thinking.

**Please note** your representation should cover succinctly all the information, evidence and supporting information necessary to support/justify the representation and the suggested modification, as there will not normally be a subsequent opportunity to make further representations based on the original representation at publication stage.

**After this stage, further submissions will be only at the request of the Inspector, based on the matters and issues he/she identifies for examination.**

7. If your representation is seeking a modification, do you consider it necessary to participate at the oral part of the examination?

**No**, I do not wish to participate at the oral examination

**Yes**, I wish to participate at the oral examination

8. If you wish to participate at the oral part of the examination, please outline why you consider this to be necessary: ☐

**Please note** the Inspector will determine the most appropriate procedure to adopt to hear those who have indicated that they wish to participate at the oral part of the examination.
