I am writing to you to register my objection to the planned changes to the current green belt around Wootton. We are a village and losing the belt around our village will open us up to further development and destruction of our village. Wootton is a lovely rural place to live. Its peaceful, quiet and safe. We moved to Wootton 9 years ago to raise a family in a nice old fashioned village and the removal of the green belt will destroy the village feel of Wootton and put the existing services and roads under significant pressure.

Wootton sits in the heart of the countryside, we don't want this spoilt by the green belt disappearing. Removing our green belt opens the village up to subsequent development and in doing so, ensures we become a suburb or Abingdon and lose our identity.

Please leave the green belts where they are around Wootton and protect this part of rural Oxfordshire for subsequent generations.
