**Subject:** Fwd: Planning for 800 houses on Dunmore Road

Hi

I think this might be for policy because there isn't any pre-app's or planning applications on this site.

Kind Regards

Dear Sir,

I am writing to object to the plans to build 800 new homes on the Dunmore Road site.

The traffic in the area is already gridlocked in the morning on Dunmore Road, especially after the roundabout was modified at the junction with Wootton Road. Since it was modified to one lane the traffic is backed up along Dunmore Road every morning.

Building on the green field along Dunmore Road will remove the last piece of green land in the area and spoil the area for the current residents. Abingdon is a beautiful town and adding additional housing will turn the North of Abingdon into a huge housing estate and add additional traffic to the area.

Please rethink the plans - there are many buildings in Abingdon and many brown field sites that could be used before any more countryside is ruined for ever.

Yours faithfully

Robin Chapman
