Name or Organisation :								
3. To which part of the Local Plan does this representation relate?								
Paragraph Policy	CP37	Proposals Map						
4. Do you consider the Local Plan is:								
4.(1) Legally compliant	Yes		No					
4.(2) Sound (Positively Prepared, Effective and Justified)	Yes		No —	No				
4 (3) Complies with the Duty to co- operate	Yes		No					
Please mark as appropriate.								
 5. Please give details of why you consider the Local Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate. Please be as precise as possible. If you wish to support the legal compliance or soundness of the Local Plan or its compliance with the duty to co-operate, please also use this box to set out your comments. CP 37 needs strengthening. An expectation of high quality design is toothless as a policy. 								
6. Please set out what modification(s) you consider necessary to make the Local Plan legally compliant or sound, having regard to the test you have identified at 5 above where this relates to soundness. (NB Please note that any non-compliance with the duty to co-operate is incapable of modification at examination). You will need to say why this modification will make the Local Plan legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible. What about 'must be of high quality design' and the onus should be on the								
applicant to demonstrate how and why this is the case. It could usefully include something on engaging communities on major applications which will have an impact on their local area
