Q3 Do you consider the Local Plan complies with the Duty to Co-operate?	Yes

Q4 Please give details of why you consider the Local Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate. Please be as precise as possible. If you wish to support the legal compliance or soundness of the Local Plan or its compliance with the duty to co-operate, please also use this box to set out your comments.

Despite being a lawyer, I found the whole process of responding to be almost incomprehensible.

To complete this online feedback I had to rely on the kindness of a neighbour who helped me to fill it in.

I wish to make one point only:

It concerns Cumnor High Street.

The centre of the village is a single lane one way route which is very narrow, and runs past the village school. It is already considered dangerous and inadequate at current traffic levels. There is no way in which the road could be widened.

Q5 Please set out what modification(s) you consider necessary to make the Local Plan legally compliant or sound, having regard to the test you have identified above where this relates to soundness. (NB Please note that any non-compliance with the duty to co-operate is incapable of modification at examination). You will need to say why this modification will make the Local Plan legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

Q6 If your representation is seeking a modification, do you consider it necessary to participate at the oral part of the examination? No - I do not wish to participate at the oral examination
