Dear Sir Madam,

Stanford in the Vale Parish Council hereby submits for area designation for the parish of Stanford in the Vale, for the purposes of preparing a neighbourhood plan.

Enclosed is a map of the area the Parish Council wishes to designate. The area indicated on the map follows the lines of the Parish boundary and is considered to be appropriate to be designated as a Neighbourhood Area.

Stanford in the Vale Parish Council wish to make policies and proposals within the Neighbourhood Plan to cover the area indicated.

Alternative areas have been discussed but the area within which the residents pay a precept to Stanford in the Vale Parish Council was regarded as the right area for a plan to be prepared by their Parish Council.

Stanford in the Vale Parish Council is a fully elected council and is the relevant body designated with the responsibility for statutory neighbourhood planning within this area.

Sincerely,

[REDACTED]
CPN Gill - Chair Stanford in the Vale Parish Council
