

Homelessness and mental health illness

for the South Oxfordshire & Vale of White Horse Districts

Listening Learning Leading

www.southoxon.gov.uk www.whitehorsedc.gov.uk

If you are suffering with a mental health illness or impairment, and you are either homeless or at risk of homelessness:

- Please contact your GP as they will be able to refer you to services for support
- If you have a support worker or a social worker, they can provide you with assistance and sign post you to other services
- You can contact our housing team and one of our housing officers will discuss your housing options with you
- You will be asked to provide documents such as ID, health information and benefit details
- We will complete a personal housing plan with you and agree a plan of action with you to try and resolve your housing need
- We will talk through your housing options and may refer you for specialised help depending on your situation, for example, specialist supported mental health accommodation, debt, benefits and occupational therapy services.
- We will work in partnership with other organisations to prevent you from becoming homeless or to find a new home
- If you are homeless we will assess whether your mental illness or impairment makes you a vulnerable person and, therefore, if you have a priority need for accommodation.
