Wallingford, Oxon, OX10 8ED

23 April 2014

Dear Peter,

Approval of Area Designation for the Stanford in the Vale Neighbourhood Plan

I am pleased to inform you that the Stanford in the Vale area designation, as submitted 20 January 2014, was approved by the Vale of White Horse District Council Cabinet Member on 4 April 2014. Please find enclosed the Cabinet Member Decision documenting this approval. There was a call-in period, ending 11 April 2014. The decision was not called in and therefore came in to effect on this date.

The consultation for area designation received eight representations in total. I enclose the representations from the Environment Agency, English Heritage, Oxfordshire County Council and Gladman Developments, which provide further information on their interest in the Neighbourhood Plan and might be of interest to the steering group.

Yours sincerely

Katherine Pearce
Senior Planning Policy Officer (Neighbourhood)
