

COMPLIANCE TESTING CENTRES

Please see below details below of the garages which, as of 30 June 2020, continue to operate. These details will be kept up to date to the best of our ability.

There will be no changes to the compliance test system or requirements at this time, so if your compliance test expires and we do not receive a new one for your vehicle, the licence will be suspended. We continue to monitor this situation and will update our website if this changes.
